President's Message

Welcome to 2008! It's almost time to dig your horseshoes out of the closet, check them for rust and put on a fresh coat of paint. I hope you are looking forward to this year's season with as much enthusiasm as I am.

Together we made a lot of progress in 2007 and I want to thank everyone for their patience and understanding as I learned all of the things I needed to learn as the new President. I know at times I was still not able to meet deadlines that were set and I did not always get those phone calls or e-mails replied to. I hope to provide a better response this year once the Executive spreads out the workload more. We would be really appreciative of additional volunteers to help with the newsletter, fundraising, statistics, memberships, website content and many others areas. I'd like to extend a very big thank-you to the very active volunteers and the Executive already working hard to keep our sport vibrant and self sufficient.

Planned for 2008 are:

- Continued fundraising efforts, including can/bottle recycling, battery recycling, and 50/50 draws at each tournament,
- Updated forms for membership information,
- Associate membership cards for those who would like to give them to our Associate members,
- Communicating with clubs regularly to find out what information is needed; and
- Providing two newsletters.

We also need to continue work on strategies to increase membership. Please voice your ideas; perhaps there are opportunities to attend events in your area geared towards active living or family recreation. Perhaps a neighborhood fun night, a ladies night out, or a recreational church league would be great introductory opportunities. I know we have a lot of creative members and some great ideas to make a difference.

Let's make 2008 a great year. Good pitching!

Tammy

Tammy in a safe place nobody can bother me here a presidents time out

Horseshoe Saskatchewan started two fundraisers in the 2006 horseshoe campaign. The first fundraiser the recycling of cans and bottles which was started by the collection at the horseshoe tournaments. Word went out to the different clubs but maybe not every club .Some individuals (Vern Bannerman) and (Don Cassidy) donated the money they received for cans they had collected over the winter. Other members are taking recyclables in and saving up the money to turn in at a later time. Elmer Berg didn't have any cans so he donated 10 dollars anyway. This recycling collection will be an on going thing for years to come and I hope that people will get behind this campaign to collect more money.

The second fundraiser was battery collecting. In this regard I would like to thank Veelta Klassen for her valuable information which turned this quest into a very profitable enterprise. Colin Finnie took the information one step further and began collecting batteries while doing his pest control work. Colin made some inquiries via the phone and personally to pick up batteries on his route. When a major list was made Colin and the Squires clan went out and picked up the batteries. [Daryl, Dean, and Dale] The bunch of us went out collecting a couple of times and collecting enough batteries to make 3 truck loads. I would like to thank Ray Kimpton, Ted Radcliffe and Kathy Beznoska of the Saskatoon Horseshoe Club for their donation in this enterprise .The checks are in the mail and should receive a very nice amount for the batteries. The amount should be known around the beginning of December. At this point I would like to thank Colin and my sons Daryl and Dean for their help in the collecting of the batteries. Some of those batteries were not very light the average weight was about 40 lbs. It made for a very good workout.

Now if anyone out there in the country would be interested in making some phone calls and lining up some batteries for pickup. We would come and help in the pickup. A place would be needed to store them and maybe a cattle trailer to use in picking them up. The tax receipt would be given to you for the trouble. It takes at least 650 batteries to make a load. If we get two loads the price per pound would be more but one load would be very much appreciated. Anyone interested can contact Dale or Colin and we will try to set things up.

I am also the lucky guy in charge of merchandise sales for Horseshoe Saskatchewan. At present there are T-shirts available from the 2006 Canadians in different sizes, some hats and even some mini Gainer the gophers from the Saskatchewan Roughriders. All items are now on discount prices. Anyone can call me at 1-306-374-8233 if you are interested in any of the above mentioned items. If anyone out there has any items to sell and put some of the proceeds to the horseshoe fundraising I would be interested to hear from you. If anyone has any ideas for fundraising do not be afraid to give the above number a call.

Yours truly chairman of fundraising
Dale Squires

It is with great sadness we lost some long time Members of Horseshoe Saskatchewan. We did miss the laughter, smiles and Kid-bitzing that these players brought to the pits. They were known for their achievements, competitiveness and friendship in a game we all like to play

These Members are Marvin Ellison, Kaye Wilson and Henry Bengart missing but not forgotten

Don Lowe Jack Adams

A list of winners in the provincials and ringers events has been over the last few years. It is the hope of the executive to upgrade the provincial plaques with the missing names. Everyone please check to see if there are any of the division plaques laying around the house. Some of the ringer event and provincial division group plaques are missing. Those who have this years plaques please bring them in as soon as possible. Once it is known which plaques are missing people will be contacted off the list accumulated of winners over the last 15 years. The provincial plaques have green and black engraving and are approximately 10x12 in size. The ringer plaque is dark brown and approximately 8x 10 in size. Both plaques will have a division title on top with a list of winners below. These plaques were to be kept for only a year and returned for the next years winner to receive his or her turn. This will be a project to get all the plaques back so they can be handed out at provincials.
