Spring 2010

President's Message

The summer sun has left us behind and the fall leaves have made their journey to the ground. Now as winter tickles at our toes and the New Year has arrived I'd like to send out a warm message to all members and thank each and every one of you for contributing to a great season. We have had a lot of activity this year including horseshoe pitching (of course), fundraising, streamlining processes, starting prep work for the 2010 Western Classic and planning for a display case for our Provincial plaques and Trophies. With all this going on it's a good thing that our sport is seasonal in nature. That said, your Executive and the tireless volunteers (their families) still have much to accomplish over the winter and we will need your assistance.

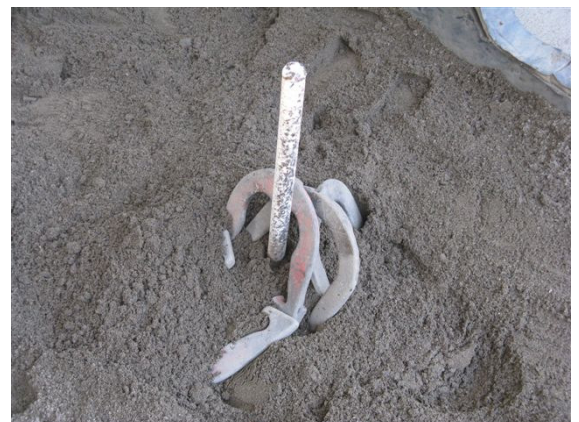

I'm still looking for volunteers to take on roles in planning the 2010 Western Classic. Please take a look at the info in the newsletter and volunteer to help us arrange the event. An event chairperson would be a great start! This person would organize and coordinate all of the activities that need to occur early in the year if we are to have facilities and events organized to accompany the Western Classics. The Executive would happily support anyone taking on this role; however, as we have both the day to day of the Association to focus on as well as our regular family and work responsibilities taking on the full responsibilities for organizing the event would be an extremely full plate. We'll be waiting to hear from you.

I also want to remind everyone about our current raffle to win ¼ beef. I still have some ticket books if your club has done well and needs more to sell. The raffle is open until early May and since this will be our main fundraising event for 2010 I encourage everyone to support this effort. Check inside the newsletter for more information.

Finally, I want to extend my personal thanks to the families of the Executive for their amazing and overwhelming support of our efforts in 2009. Without their efforts and the contributions of the Executive members themselves my job would be a lot more difficult and a lot less fun. Thanks everyone.

So I hope everyone has a winter season and we'll be in touch.

A Message from Dale Squires

This was a very busy year for the horseshoe executive. Over the winter shirts, hats, sweat shirts and jackets were purchased with the H.S.I. logo on them. All these items were put on sale to members and friends of H.S.I. The thought is to have pictures of all the items on the web site in the near future so they can be seen and bought by people interested in wearing horseshoe clothing and advertise our game. Every club participated in the first golf shirt and t-shirt sale in which a lot of shirts were sold. I would like to thank the presidents of all the clubs for their participation and putting up with my constant phoning. Horseshoe Sask. Inc. sold over \$2,000 worth of merchandise and a small profit was made with the \$1 extra that was added to the cost of the shirts. A profit of \$250 was put into the junior account.

The next item tackled by the executive was the purchase of pull and peel tickets which were sold through all the clubs. Only 100 books were ordered and spread throughout the clubs. It was impossible to get just a few more books unless 200 books were purchased. The executive thought that might be too much to ask of the clubs so they went with the smaller amount. A profit of \$750 was made after the price of the tickets and prizes were paid out. Again the money went into the junior account. The draw was made at Manitou Beach at our last tournament and below is the list of the winners.

1 st	\$200	Lindsay Reimer
2 nd	\$150	Lou Szucs
3 rd	\$100	Margaret Rygh

The next adventure was to purchase some horseshoes and to make them available to the people of Saskatchewan. This way if someone is interested in playing the game, horseshoes can be bought without going to Canadian Tire, used shoes from another player or from a garage sale. Colin, Daryl, Dean and Dale drove to Ontario for the Canadians with the idea of bringing back some horseshoes. Our contact for the purchase of horseshoes was Tom Gelina from Guelph Ontario. A flier was handed out earlier to the clubs with the type of horseshoes available and for \$50 a pair they would be brought back for them and delivered. We brought back 40 pair of shoes that can be purchased along with 12 other pair for people who wanted a certain type. H.S.I. now carries 10 types of horseshoes that can be purchased and delivered with a phone call. The horseshoes in stock will be sold for \$50 and anyone ordering horseshoes that are not in stock will have to pay a delivery charge estimated at around \$65. I am hoping to get pictures of the horseshoes on the web site for viewing. Anyone interested in buying a pair of horseshoes call Dale Squires at (306) 374-8233.

Another item taken on was the purchase of more golf shirts, t shirts, hats and sweat shirts with the Saskatchewan logo on them. At this time jackets were checked out and priced. They would have a horseshoe peg with four ringers on the peg. This logo would be placed on the front chest pocket. The Saskatchewan gopher pitching a horseshoe was put on

the back a quite large picture highlighting Horseshoe Saskatchewan. All these items are worn to promote horseshoes. Our curling team wears the jackets and it has brought a lot of awareness to other people about our sport. The Saskatoon club was approached and were willing to purchase the extra clothing items we now have on sale in different sizes. The Saskatoon club also put up the money to purchase the horseshoes we now have for sale. All money brought in from the sale of any clothes or horseshoes will be put into an account called the Legacy account. This account has been formed at the wishes of Sask. Lotteries. They want us to have some money in reserve just in case our organization comes into money problems in the future. With the jacket purchases all clubs paid for the embroidering and each individual paid for the cost of the jacket. The jackets were sold at \$55 and \$30 was the cost of the embroidering. If anyone else wants a jacket a couple of large sizes and one x large size are available. If more sizes are needed, 12 jackets would get us the same price if ordered all at once. Interested parties call Dale.

Golf shirt \$17 S, M, L, XL
 T shirt \$12 S, M, L, XL
 Sweat shirt \$22 S, M, L, XL
 Hats \$13
 Horseshoes \$50
 Hook \$10

Anyone can purchase these items not just horseshoe players. So if friends or relatives are interested give me a call. I am hoping that for the Canadians this year in Victoria that people will use the green shirts available to play. Do not forget, to play in the Westerns at Manitou Beach this summer you need your name on the back of your shirt.

The following are the 50\50 winners at the 2009\2010 tournaments.

Spring Fling	Vern Tyacke
North Battleford	Bruce Grandel
Yorkton	Dale Squires
Manitou	Jane Kalyn
Saskatoon	Jack Adams
Prince Albert	Jack Adams
Whitewood	Don Kalaman
Provincials	Colin Finnie
Skins	Cody Allard
Regina	Shirley Tyacke
Paddockwood	Doreen Dudek
North Battleford	Angie Harbaruk
Caronport \Swift Current	Bruce McLeod
Fall Frolic	Clara Allard

I would like to thank everyone for their participation in this fundraising effort. It was a very successful year. I would like to thank Jack Adams for his generosity of donating part of both his wins in P.A. and Saskatoon back to the horseshoe fundraiser. This year contributions far exceeded the first year we held this event and our fundraising total was just under \$800. This money will go to the junior account to replenish an account which was almost down to nothing. Thanks Again.

The executive made a decision to try and run a concession booth at a few of our sanctioned tournaments. With the help of volunteers this project became a very nice success. Floyd Allard was our cook for the first bunch of tournaments with Denise Squires, in a couple of cases, doing the cooking along with running the tournament. On different occasions other

members came out to cook as well as man the booth for the selling of the product. Without the help of our members and friends this would not have been possible. At times the help was a little thin but we got thru the situation. Anyone that knows of people whom would help out at tournaments please give anyone on the executive a call before the start of next year tournaments. In the beginning only a few tournaments at Manitou Beach were going to be handled but other clubs jumped on the band wagon making it a major fundraiser. I would like to list all the help we received but someone might get missed so thanks to every one and all the clubs who participated. I would like to thank Tammy, Clara and Denise for all the running around to purchase the product needed to make this adventure work. It was soon discovered that some things sold well and other product did not sell as good. Over the horseshoe season the concession booth made a profit \$800 which was put into the junior account. I believe that with the required help this can be a very nice fundraiser.

Next year H.S.I. is sponsoring the Western Classic at Manitou Beach. A lot of volunteers will be needed to manage different things. The concession booth is only one area, a silent auction table, 50\50 tickets, and judges for playing time. Scorekeepers will also be needed. If everything goes well hopefully a beer garden and a morning breakfast could be held at the event, with the possibility of a supper if enough interest is shown. Letters were sent out to all the clubs with the intent of getting items from businesses in your community so please try and get some articles for this event. If there are any questions regarding the Western Classic give Tammy a call.

Year books are still available at the selling price of \$12. Purchase a book and get the results of all the provinces. You also get updates on what is happening in horseshoes from all over and there are lots of pictures too.

A new raffle was tried this year. The tickets being sold are for 4 quarters of beef over two lottery licences. The reason for this is because Sask. Lotteries will only let us have \$500 expense per licence and we are only allowed two raffles in a 12 month period. Lottery A and B both have 250 books in each with the cost of \$1 per ticket or \$10 for a book. The draw will be made on May 23 at our first tournament. All the clubs were sent out an amount of books to sell and if you sell all your books do not be afraid to phone Tammy for more books as there were books held back. In selling the tickets over the winter there is the hope of reaching a new group of people for the sales. Groups like the bowling alley, the curling rink, the soccer centers and maybe craft groups. These people would not be available in the summer. I hope this raffle goes well because there will be no other raffles during this horseshoe season.

The battery recycling is continuing and Colin says he has 2\3 of the batteries needed to get a load sent off for pickup. Anyone who has batteries or knows where we can pick some up give us a call.

Cans and bottles were picked up at all the tournaments this year. Some of the pickups were small because of the weather but it all helps in our quest to pay for the 2012 Canadian games. New members came on board and new businesses donating their bottles to the cause. Anyone who would like to donate any money or bottles, a tax refund will be given for any amount of \$10 or more. This is an excellent fundraiser and will be continued in the future. Thanks to all contributors during this year.

The executive is looking at building 24 portable courts for the 2012 Canadian Championships as this lets us have the flexibility of where to host the Canadians within the Province. This winter the pins will be made and welded so that the pin can be changed without having to empty the whole pit of sand. A friend of Colin's has offered his shop to use for cutting the metal and for welding when needed. So this part will be done this winter and next year the courts will be fixed and a few more will be built to have 24 courts available for use. Maybe in the future if there is a place to play in the winter, courts will be available for use during the cold spells. That sure would help us keep up with the people who play all year round. I am still looking for an arena to use for the 2012 games. Hopefully by winters end this will be one less thing on the agenda.

In Saskatoon we have been given the OK to build six new courts in the Market mall area. I would hope this would increase to nine courts by 2012 if enough interest is shown. Our tournaments will still be held at the exhibition but by expanding in this area the hope is to get more new members, and bathrooms and food services will be closer for people playing. Nights of playing will be different than those at the exhibition. So when April or May rolls around I hope to get the grass out for the walkways and pits installed with the rest of the necessary parts installed when time permits. So all you horseshoe members in Saskatoon get ready for a phone call for help. It should only take a few days to complete because most of the materials needed are in my backyard and only needs to be transported a few blocks to their new home.

Work is about to start on the shelving unit at the Manitou Community Hall which will hold memorabilia from horseshoes in the past and present. With my last communication from Dorman Hutchinson the person who will build the cabinet for us. The area on the north wall about 14 feet long with 8 feet on the east wall by the kitchen will house a four foot high glassed in cabinet. The hope is to place the existing provincial trophies with up dated engraving along with the plaques that were replaced this year. An attempt will be made to get pictures of all the hall of famers along with a small resume. If everything gets full then we will rotate some of the memorabilia so things won't get old hat. The plywood is being delivered in the beginning of December so that the work can begin. With any luck this project can be completed by the start of horseshoe season. Thank you very much for your help in this project Dorman.

Dale Squires, Fundraising Chairman

SSFA 55 Plus Provincial Games

The SSFA 55 Plus Provincial Games are being held in Regina this year in July. I'm not sure when the last time was that horseshoes had enough participants to host the event; however I have agreed to be the Horseshoe Coordinator for the Games. I'd like to encourage people to participate so start thinking about it now – this is one great way to ensure that people know about our sport – if we don't participate we may eventually be dropped from the competitions. I have included the eligibility rules below. If you qualify – let's see about getting some teams from each zone to attend.

ELIGIBILITY

- 1. Competitors** i) Competitors must be at least 55 years of age by December 31 of the year of the Provincial Games. They will have earned the right to participate in the Games by placing in their playoffs at zone competitions, or be an eligible substitute as stated in Rule 6 of the Rule Book. ii) Competitors must be a member in good standing of SSFA.
- 2. Residency** Provincial i) Competitors must be a resident of the zone for which they are competing at the provincial games, by April 1 in the year of the games. Competitors may only represent, and compete in one zone. Zone ii) Competitors must be a resident of the zone in which they are competing, as of April 1 in the year of the games. At no time will a competitor be able to take part in playoffs in more than one zone. District iii) Competitors involved in district competitions must be residents of the district in which they are competing.
- 3. Participation in Events at the SSFA 55 Plus Provincial Games** Competitors may only compete in one event with the exception of poetry and short stories, however within a particular event they may be entered in more than one competition if the rules of the event allow it.
- 4. Age Categories at the SSFA 55 Plus Provincial Games** Competitors may compete in one age category only, unless specified within the event. A competitor may compete in a younger age category but not in an older age category. Proof of age may be requested.
- 5.** The eligibility of any athlete not clearly established by these rules shall be determined by the Chairperson of PSGC in accordance with the spirit and intent of these rules.
- 6. Substitutions** Notifications of substitutions must be made to the Host Committee as soon as possible. Substitutes must pay required registration fee if they compete.

Specific Rules around Horseshoes are:

Western Classic Volunteers Needed

HSI is hosting the 2010 Western Classic at Manitou Beach. We need volunteers to make this event a success. Please volunteer, your Executive cannot have the same success with this event that we can realize with many more pitching in. We need to support the Western Classic to keep this event returning to our Province and providing our players with an opportunity to meet and compete with people from other Provinces. Volunteer opportunities exist for the following positions:

Event Chair – co-ordinate the event, ensure that all the volunteers complete their tasks, keep things on track, serve as the main contact

Advertising and Promotions – ensure that the event is advertised to encourage participation from other Provinces

Campground / Hotel Coordinator – work with the Provincial campground, the Town of Manitou Beach and the hotels to ensure that there are some spaces available for people to park and stay when they arrive at Manitou.

Official Coordinator – ensure that the appropriate number of scorekeepers and judges are on hand to serve the needs of the players – this might mean coordinating a volunteer group to be the scorekeepers and HSI paying them an honorarium on top of the money earned per game to participate. The Official Coordinator would be expected to train their volunteers as needed.

Fundraising / Raffle Coordinator – coordinate and run the raffle table including collecting and sorting any raffle and door prize items being collected

Concession and Meals – coordinate the concession – might be HSI Volunteers so we earn the funds back or might be coordinated through Manitou Beach volunteers, coordinate the “banquet” night (might be a BBQ at the pits, or a catered meal at Danceland, etc.)

Beer Gardens Coordinator – looks after arranging Beer Gardens and ensuring the appropriate licenses are in place. Arranges for entertainment if possible and feasible.

Facilities and Maintenance – coordinates the maintenance of the pits and facilities and ensures the grounds are kept in order.

Opening and Closing Ceremonies – ensures everything is lined up for the opening and closing of the events

Awards – ensures the awards are ready to distribute

Beef Raffle

As Dale mentions in his message the Beef Raffle is our main fundraiser for 2010. Please help make this lottery a success through your support in either purchasing or selling these tickets.

I know there have been some questions about how the prize will be delivered to the winner and when. At this time the winner is responsible for arranging to transport the prize from Saskatoon to their place of residence. There is opportunity for us, through our members, to deliver the product to their hometown by using coolers and lots of ice if we can make the appropriate arrangements ahead of time. What we wanted to avoid were the charges of a refrigerated truck delivering the prize to someone’s home as this would detract from the amount of money that this fundraising opportunity provides. We would work with the winner as best as possible thought to work something out that works for both parties. Also the beef will not be ready to take home on the date the draw occurs as we would like the opportunity to talk to each winner and make arrangements for how and when the prize will be collected.

I hope this clarifies a bit. If you have any further questions please let us know and we will do our best to provide a timely answer.
